Risk Disclaimer and Disclosure

No offer or solicitation to buy or sell securities, securities derivative, futures products or off-exchange foreign currency (Forex) transactions of any kind, or any type of trading or investment advice, recommendation or strategy, is made, given or in any manner endorsed by any MTPredictor Ltd, or anybody associated with MTPredictor Ltd. Past performance, whether actual or indicated by historical results, is no guarantee of future performance or success. There is a possibility that you may sustain a loss equal to or greater than your entire investment regardless of which asset class you trade (Equities, options Futures or Forex); therefore, you should not invest or risk money that you cannot afford to lose. Please read the full Risk Disclaimer and Disclosed and full Terms and Conditions on the web site. There is risk of loss in Trading and Investing. While MTPredictor has automatic setups, it is not a Black Box to be followed blindly. Judgment is needed in filtering the automatic setups, particularly with respect a clear larger degree trend. All trade decisions are your own sole responsibility.
